summary

An ambitious and easy-going designer who has experience in graphic design and digital content. Believing the essence of a good design is the process of crafting ideas that can successfully convey relevant information effectively.

experience

Freelance Creative Designer
Self-Employed // Dec 2017 - Present

- Executed projects from inception to completion, managing all aspects of the design process including ideation, layout, and final production.
- Maintained open communication channels with clients throughout the design process, incorporating feedback and revisions to ensure client satisfaction.

Senior Creative Designer
Zero Float Club // Aug 2022 - Feb 2024

- Spearheaded creative design strategies for Zero Float Club, a progressive wellness startup, elevating brand presence and customer engagement through visually compelling concepts and assets.
- Contributed to the success of key initiatives through proactive ideation, meticulous attention to detail, and a passion for delivering impactful design solutions that resonate with target audiences.

Senior Creative Designer
EFS Jersey // Mac 2022 - Feb 2024

- Developed visually appealing designs for printing jerseys, integrating client specifications and brand guidelines.
- Worked efficiently within tight deadlines while maintaining a high level of attention to detail and quality in all designs produced.

Graphic Designer Intern
Tarbiah Kreatif // Aug 2021 - Jan 2022

- Developed innovative and visually compelling designs for various clients across multiple industries, including branding, marketing materials, and digital assets.
- Successfully managed multiple projects simultaneously, meeting tight deadlines and delivering exceptional results under minimal supervision.

education

Universiti Teknologi MARA
Diploma in New Media Communication and Contentpreneurship // 2019 - 2022

- Head Bureau of Website for GAMEINC 2019, overseeing website development and content management.
- Gained comprehensive knowledge of multimedia production, including graphic design, video editing, web development, social media management, content creation, and digital marketing.
